Median Title IV Loan Debt	$0.00
Median Private Loan Debt	$0.00
Median Institutional Loan Debt	$0.00
Job Placement Rate for Program Completers[6]	0%

[1]CIP Code was provided by MECC's Financial Aid Office.

[2]Virginia Community College System uses the parent plan code (middle three digits within program code) to identify CIP Code which crosswalks to SOC code career path.

[3] Number of students completing program between July 1, 2011-June 30, 2012 and excluding dual-enrollment high school students' attendance until high school graduation is completed.

[4] Total tuition and fees are based on the 2013-14 academic year and are subject to change.

[5] Total books and supplies are based on the 2013-14 academic year and are subject to change.

[6] All students who completed between July 1, 2011 and June 30, 2012 are included in this calculation. This job placement rate looks only at jobs that were in the field of study. This rate is based on program completers who were employed within 180 days of completion. Virginia Employment Commission (VEC) data and the 2011-12 MECC Graduate Follow-up Survey results were used to identify employed students. VEC data does not include federal employment, military employment or employers from other states.
