

Career Studies Certificate Phlebotomy

PURPOSE: If you are seeking postsecondary education programs that are less than conventional one- or two-year programs, MECC has what you are looking for. The Career Studies Certificate is a response to the non-conventional, short-term educational needs of individuals who seek to upgrade occupational skills, learn new skills, or pursue specialized interests. The Career Studies Certificate consists of specialized program options. These options represent a wide variety of career and academic interest course areas. Each option is intended to represent a minimum amount of college course work considered representative of these fields of study and designed as a distinct “mini-curriculum” to meet minimum occupational or adult interest requirements.

PROGRAM REQUIREMENTS: Students are admitted to the phlebotomy program utilizing a selective admissions process. The deadline to apply for admission to the summer cohort is April 15th, the deadline to apply for admission to the fall cohort is July 15th. Please see this link for information and forms to apply for program admission: <http://www.mecc.edu/index.aspx?page=181>.

Phlebotomy students must complete the following prior to enrolling in MDL 106:

Proof & record of three Hepatitis B vaccinations.

Proof & record of two MMR vaccines OR proof of immunity by titer.

Proof & record of negative TB test (two-step).

Proof & record of seasonal flu shot.

Proof & record of two varicella vaccinations OR proof of immunity by titer.

Proof & record of DTP (diphtheria, tetanus, pertussis) vaccinations.

Copy of BLS for Healthcare Provider (CPR) certification card, back and front.

Passing of criminal and

First Year

Fall Semester				
	HIM	111 ¹	Medical Terminology I	3
	HLT	100	First Aid & CPR 3	3
	HLT	145	Ethics/Healthcare Prsnl	2
	MDL	105 ¹	Phlebotomy	3
	SVD	100	College Cusses Skills I	1

Spring Semester				
	ENG	111 ³	College Composition I	
	HIM	112	Medical Terminology II	3
	ITE	115 ⁴	Intro to Computer Apps and Concepts	3
	MDL	106 ¹	Clinical Phlebotomy	2
Total minimum for Certificate:				25

¹It is recommended that HIM 111 and 112 and HLT 145 be completed prior to enrollment in MDL 105. However, enrollment in MDL 105 may be allowed if the student is concurrently enrolled in HIM 111 and HLT 145; and enrollment in MDL 106 may be allowed if both MDL 105, HIM 111 and HLT 145 have been successfully completed, and the student is concurrently enrolled in HIM 112. This requirement may be waived for students who hold a current medical certification such as R.N., L.P.N., E.M.T., or C.R.T.T. Check with a program advisor for clarification.²HLT 119 or EMS 101 may be substituted for HLT 100.³ENG 115 may be substituted for ENG 111. ⁴HIM 130 may be substituted for ITE 115
