

**MOUNTAIN EMPIRE COMMUNITY COLLEGE
PRACTICAL NURSING PROGRAM**

Advising Sheet

Student: _____ EMPLID: _____

Admission Requirements:

1-Transcripts sent to MECC enrollment services – 12 credits from last institution considered

2-Placement scores indicate readiness for ENG 111 and MTH 126 (do not have to be completed)

3-Completed biology with a C or better within last 5 years. PNE 155 is now an option for students seeking PN admission.

Email jhill@mecc.edu and ask her to add the students into the desired class. This is ONLY for potential PN students.

(BIO 1, BIO 101/102 ; BIO 141/142 ; BIO 145; BIO 231/232; NAS 171 ; high school biology (not ecology) will fulfill this requirement).

- a. 4-TEAS testing scores must be attached to application and submitted to enrollment services. How to register for TEAS testing: Scheduling a TEAS examination: Go to www.mecc.edu/testing and click on the TEAS registration form link. Complete this form to register for a date and time to take the TEAS assessment. After you submit the form, you will receive an Outlook Calendar invitation within 48 hours.
- b. Payment will be made in the business office with credit card, debit card or cash. Take yellow receipt to student services for testing. Soon, this process will change and students will pay in student services as they begin their test.

5- completed FAFSA forms

Students may submit application at any time (before deadline). Students can take the TEAS test as many times as they want to, but must pay for each attempt (\$55.00). After application received, a letter will explain the needed action for completion of the admission process.

Student meets above requirements:

-submit an application to the PN program.
Spring deadline Oct 1. Fall deadline June 1
-if timing permits – enroll within non-nursing courses:
HLT 130
PNE 155 or BIO 141/142
ENG 111
PSY 230 or PSY 231/232
HLT 100 or HLT 105
SDV 100
SAF 130

Student does not meet above requirements:

Student is not ready for ENG 111

- Place students within correct developmental courses

Student is not ready for MTH 126

- Place student within correct math units (1-3 units are required for admission and MTH 126.
- Highly recommend the student to take unit 4 also for RN placement.

Student has not completed biology within the last 5 years:

- Recommend BIO 141/142. This satisfies both RN and PN curriculum requirements
- For admission requirements: PNE 155 with permission, BIO 1, BIO 101/102; 141/142 NAS 171/172 and high school biology (not ecology) will satisfy the admission requirement

Other courses for PN program:

- SAF 130 (if available)
- HLT 100 or HLT 105
- HLT 130 (ENF 2 testing placement)

Student accepted and ready to enroll within first semester:

-acceptance letter must be submitted to enrollment services

Courses to enroll:

ENG 111 (if not completed)
PNE 161 (lecture and lab)
PNE 155 (if BIO 141/142 not completed)
PNE 143
PNE 173
MTH 126
SDV 100
HLT 100 or 105 (if CPR not up to date)
SAF 130
