

Student Name: _____

My EFC Number is: _____

Locate your EFC

Find your EFC by determining where it falls between 'EFC (from) and EFC (to)' on the reverse page.

PELL

PELL Grant is usually divided equally between fall and spring semesters. A PELL of \$6,095 for a full-time student would be disbursed as \$3,048 in the fall semester and \$3,047 in the spring. If you attend half-time (6-8 credits), you receive approximately 50% as much PELL. If you attend three-quarter time (9-11 credits), you receive approximately 75% as much PELL. **(See notes on summer PELL awards below). Students who use Pell during Summer 18 may be eligible for Year Round Pell (Pell2) during Spring 19 if enrolled at least half-time (6 financial aid eligible credits).** Students with a bachelor's degree are ineligible for PELL. Students who have already received 12 semesters of full time Pell or 600% Lifetime Eligibility Units (LEU's) will be ineligible.

SEOG

Supplemental Education Opportunity Grants (SEOG) is awarded to high-need PELL recipients as long as the College has SEOG funds. Due to limited SEOG allocations, awarding of SEOG may be limited to students who have attempted less than 54 credit hours. SEOG is disbursed one-half in the fall semester and one-half in the spring semester. If you attend less than half-time (1-5 credits), you receive twenty-five percent as much SEOG. If you attend half-time (6-8 credits), you receive fifty percent as much SEOG. If you attend three-quarter time (9-11 credits), you receive seventy-five percent as much SEOG. Students with a bachelor's degree are ineligible for SEOG.

COMA/VGAP

Commonwealth Award (COMA) and Virginia Guaranteed Assistance Program (VGAP) is a state grant and is available only to Virginia domiciled residents. You must attend full time each semester to receive a VGAP award. If you attend half-time (6-8 credits), you generally receive fifty percent as much COMA. If you attend three-quarter time (9-11 credits), you generally receive seventy-five percent as much COMA. **Students in the EFC range of 5487 to 9000 will receive \$0 COMA if enrolled half-time (6-8 credits).** Students with a bachelor's degree are also eligible for COMA. Students must be classified as domiciled in-state residents to receive COMA/VGAP. (See note below on summer COMA).

PTAP

Part Time Tuition Assistance Program (PTAP) is a state grant and is available only to Virginia domiciled residents who are enrolled in a semester for 1 to 8 credits. Awards are made each term based on availability of funds and are coordinated with the amount of other aid received during that term.

Summer COMA + PELL

If you enroll for summer 18 you will be awarded PELL and COMA as indicated in the last two columns. The COMA for summer is in addition to any COMA you are eligible to receive in the fall and spring. However, PELL received during the summer WILL reduce the amount of PELL you are eligible to receive in the spring, especially if you attend full time. Students who use 100% of Pell during summer/fall will be considered for additional COMA funds during Spring 19 **(based on available funding and pre-registration for spring classes by December 14th)**. Any additional COMA awards may not be posted until after fall 18 grades are posted.

Please **ASK** if you still have questions.

How Much Financial Aid Will You Receive in 2018-2019?

After you have determined your Expected Family Contribution (EFC) number, you may look up your EFC number on the chart below to determine how much financial aid you will receive in 2018-2019. Notes on the back of this page explain how different types of financial aid are disbursed throughout the academic year of summer, fall, and spring semesters.

EFC (from)	EFC (to)	PELL	SEOG	COMA	Total Aid (Fall & Spring)	Summer COMA	Summer COMA+PELL
0	0	6095	400	900	7395	0	3048
