1. Transcript services are withheld for any student who owes the College money or property.

4. Transcripts show all work completed at this institution.
5. The College does not release transcripts or copies of transcripts from other institutions.
6. **DO NOT OPEN YOUR TRANSCRIPT!** If opened, the official transcript will automatically be considered to be *unofficial* by most colleges and organizations.

Official transcripts are generally processed within three business days of receipt, and will be sent by mail to the address that you provide. **During peak times such as beginning and end of term, processing time will likely be extended.** Due to the magnitude of transcript requests received, the Registrar's Office does not notify students when transcript requests have been processed. Mountain Empire Community College does not impose a fee for transcripts.

**THIRD PARTY REQUEST**

A third party picking up a transcript must present written permission from the student to do so. The written permission must bear the student's signature and social security number. The third party may pick up the transcript three days after submitting the written request from the student.

**IDENTIFICATION**

Students must present a valid photo I.D. when picking up transcripts. No transcripts will be released without proper identification.
