READING THE CLASS SCHEDULE

ORIENTATION - Most video and web classes require some form of orientation. Orientation is used to give students important information about the course. Following are examples of the different types of orientation:

Online Orientation, email instructor at (email address) between (dates) - students must send instructor an email introducing themselves at some time during the dates given. The instructor will respond with the information needed for the class.

On-Campus Orientation, Day, Date, Time, Room - orientation will be held on campus on the specified day, date, time, and room. If students are unable to attend orientation on the specified date and time, which varies by class, they need to contact the instructor.

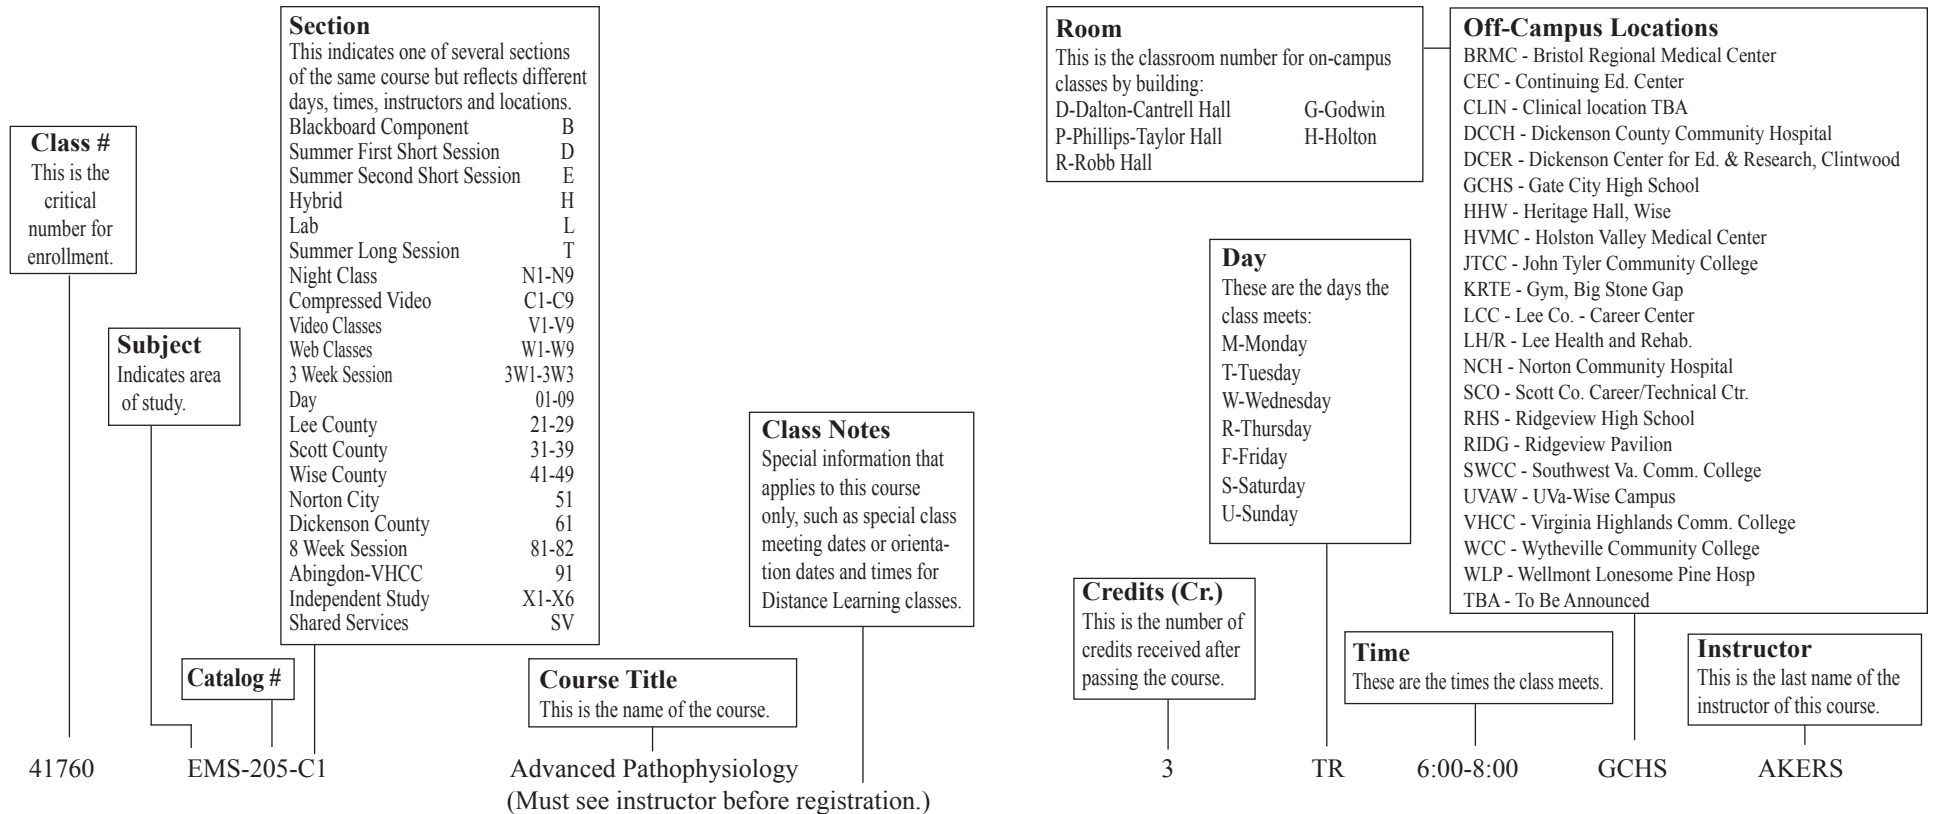

VIDEO CLASSES - Classes with section numbers that include a “V” are Video classes. These classes require students to check out the necessary videos from the Wampler Library (student ID required). Students will then utilize the videos, textbook, and Blackboard to complete the required coursework as stated in the class syllabus. These classes require students to take tests/exams in a proctored environment.

WEB CLASSES - Classes with section numbers that include a “W” are Web classes. In courses offered in this delivery format, all instruction is web-based.

COMPRESSED VIDEO - Classes with section numbers that include a “C” are Compressed Video classes. These are courses delivered via video to two or more sites. Students may be at a different location than the instructor.

INDEPENDENT STUDY - Classes with section numbers that include an “X” are Independent Study classes. These are highly individualized, planned studies.

HYBRID - Classes with section numbers that include an “H” are Hybrid classes. These classes require students to attend class on-campus less often by utilizing on-line components that can be completed at home.

It is the policy of the Virginia Community College System and Mountain Empire Community College to provide equal employment and educational opportunities for all persons without regard to race, color, religion, national origin, political affiliation, veteran status, gender, age, or sexual orientation and for all otherwise qualified persons with disabilities. This policy permits appropriate employment preference for veterans. This institution promotes and maintains educational opportunities without regard to race, color, sex, ethnicity, religion, gender, age (except when age is a bona fide occupational qualification), disability, national origin, or other non-merit factors. This institution prohibits sexual harassment including sexual violence. The following person has been designated to handle inquiries regarding non-discrimination policies: Ron Vicars, Vice President of Financial and Administrative Services. The following person has been designated to handle inquiries regarding student misconduct or equity issues based on gender: Brandon Dotson, Dean of Student Services. The following person has been designated to handle inquiries regarding employee misconduct or equity issues: Pam Giles, Human Resource Manager. For more information, contact 276.523.2400, 3441 Mountain Empire Rd., Big Stone Gap, VA, 24219. Virginia relay users dial 711.

Mountain Empire Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award the associate degree. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404.679.4500 for questions about the accreditation of Mountain Empire Community College. Normal inquiries about the institution, such as admission requirements, financial aid, educational programs, etc., should be addressed directly to the institution and not to the Commission's office. Degree programs are approved by the State Council of Higher Education for Virginia, and are also approved for listing in the U.S. Office of Education directories for participation in various federally-sponsored programs of student aid and educational assistance. The College is authorized by the Veterans Administration to certify students to receive veterans' benefits and is approved by the Department of Health and Human Services for students who receive Social Security and Vocational Rehabilitation benefits. The Respiratory Therapy program is accredited by the Commission on Accreditation for Respiratory Care. The Nursing program is approved by the Virginia State Board of Nursing and accredited by the Accreditation Commission for Education in Nursing (3343 Peachtree Road NE, Suite 850, Atlanta, GA 30326). The Practical Nursing and Nursing Assistant programs are approved by the Virginia State Board of Nursing. The Emergency Medical Services Technology program is accredited by the Commission on Accreditation of Allied Health Education Programs.
