

SUMMER GOVERNOR'S SCHOOL

Apply Early!

Applications taken on a first-come, first-served basis.

Application will go live on Tuesday, March 19, at www.mecc.edu/govschool

TWO OPTIONS FOR PARTICIPATION:

1. Choose one of four offerings (6 credits) for the in-person, on-campus program from June 3 - 14. Monday through Friday each week from 9 AM to 4 PM. See options below.
2. Select up to 6 credits from MECC's regular summer schedule. Students seeking this option will receive advising to assist in selecting appropriate courses. MECC's summer schedule runs from May 30 - August 1.

ENTREPRENEURSHIP, AGRIBUSINESS & AGRITOURISM (BUS 116, BUS 295)

Add a little green to your life! Agribusiness is the various businesses that produce, sell, and distribute farm products. Agritourism is where agriculture and tourism meet to provide an amazing educational experience, whether it be a tour of a farm or ranch, a festival, an autumn corn maze, or a cheese-making class. In this strand, we will be visiting several successful agribusinesses plus exploring the steps in creating a viable business plan so you can be your own boss!

ENGINEERING (MEC 122, DRF 233)

Be an innovator! Use your creative skills to build 3D printers, 3D print custom designs, design your own tiny home, and build and compete with robots! Invent your future in engineering in this exciting field.

FORENSIC SCIENCE (ADJ 171, ADJ 172)

Do you want to help solve a murder? Learn how to identify blood and body fluids, make impression castings, fingerprinting, DNA collection and more. Discover what types of evidence to look for at a crime scene and how to analyze it. You could be the first to discover who killed Barry.

CODING (ITP 100, ITP 132)

Gain a Superpower – Learn to Code. Do you enjoy playing an instrument in the band or do you enjoy solving puzzles? Do you enjoy music? Do you enjoy playing with robots? If so, come and join us while we have fun learning to code or just become more knowledgeable about computers! If so, join Professor Lane at MECC for Governors School 2024 and gain a superpower.

Governor's School 2024 is open to rising Sophomores, Juniors, or Seniors in the counties of Lee, Scott, Wise, and Dickenson, and the City of Norton who have a 3.0 GPA or higher.

Interested individuals should contact:

Angie Lester, Governor's School Coordinator
523.9069 or alester@mecc.edu

Mountain Empire Regional Governor's School sponsored by: The Virginia Department of Education, Mountain Empire Community College Foundation, and Mountain Empire Community College.
