Other	60	53	54	64	89	320
Total HS Grads Enrolled	473	440	434	449	466	2,262

The number of graduates of service region high schools had declined until 2008. While no empirical evidence exists, the large increase in local high school graduates at MECC may have been correlative to the larger economic condition and tuition increases at four-year colleges.

**TABLE 3.19
POST GRADUATION PLANS OF SERVICE REGION HIGH SCHOOL SENIORS**

	Total Graduates	Plan 4-yr	Plan 2-yr	Total Planning College	Other Plans	Military	Work Force	No Plans
2013	1,092	27%	46%	72%	3%	4%	15%	6%
2014	1,164	29%	45%	74%	3%	3%	13%	7%
2015	1,088	27%	47%	74%	4%	2%	13%	7%
2016	1,211	31%	41%	71%	4%	2%	16%	7%
2017	1,045	28%	44%	72%	6%	3%	13%	7%
Total	5,600	28%	45%	73%	4%	3%	14%	7%

Recent historical data indicates that service region students have similar post-secondary plans. All of the categories have remained in a consistent range for many years.
