Paralegal Position

Wytheville, VA

A professional Law Corporation

looking for a paralegal to help with my consumer debt defense practice. It is a very high-volume, form driven practice. My practice covers three states– Florida, Virginia in Louisiana.

The individual must be very computer literate as I use a web based, firm management software. They must be personable and professional as they will have contact with clients, courts, and opposing counsel.

I'm prepared to pay somewhere around \$10-\$15 an hour depending on experience. The position will be capped at 40 hours a week, but, frankly, there is enough work to meet that mark on a weekly basis. This individual will be treated as a W-2 employee, thus I will cover a portion of the taxes.
